

# International Quotation Hub

- Purchasing department getting vital role to companies day by day.
- Profesional buyers, who aware this role, consider information technologies.
- It is really hard to reach new suppliers and right prices in dynamic markets.
- To create time for market research, buyers must prevent time wasting with e-mails & telephone jam.
- QHUBI aims to save buyers' time during purchasing processes and open the world them to reach competition in the market via lean interface.
